

Performing in a Recital

1. Get your music set up so you can see it well.
2. Stand with your feet shoulder width apart.
3. Take a deep breath.
4. Introduce yourself. **SPEAK SLOWLY AND CLEARLY**
 - a. Say your **NAME**
 - b. Say your **INSTRUMENT**
 - c. Say the name of the **SONG** you will be playing
5. Take another breath
6. Think the tempo in your head before you start. If two or more are playing together, count off and breathe together before you play your first note.
7. Play out with confidence! Keep the steady beat.
8. When you are done, take a bow. Don't forget to take your music with you.
