On **Thursday, February 22, 2018**, you are invited to an event featuring musicians from Pillsbury School. Students will be performing in a recital format where students take turns performing solos or in small groups. The performances will begin at 6:00 p.m. and I ask that all students who are performing arrive by **5:45 p.m.** so we can get set. Please encourage your child to participate and to practice their music. The program will last around one hour. **Ice cream will be served during the performance. Yum!**

Please complete the permission slip below and have your child return it to me by **Thursday, February 15** so I can plan the event.

Thank you.
